PHOTO BOOTH

DIGITAL
BRANDING

WELCOME SCREEN

LOGO

The welcome screen will display your custom design, highlighting your logo and chosen background.

- Please submit logos in .png format with a transparent background.

BRANDED PHOTO TEMPLATE

Portrait layout is offered with and without a border. You can customize it with your own brand/event color or design, overlaying your logo and text.

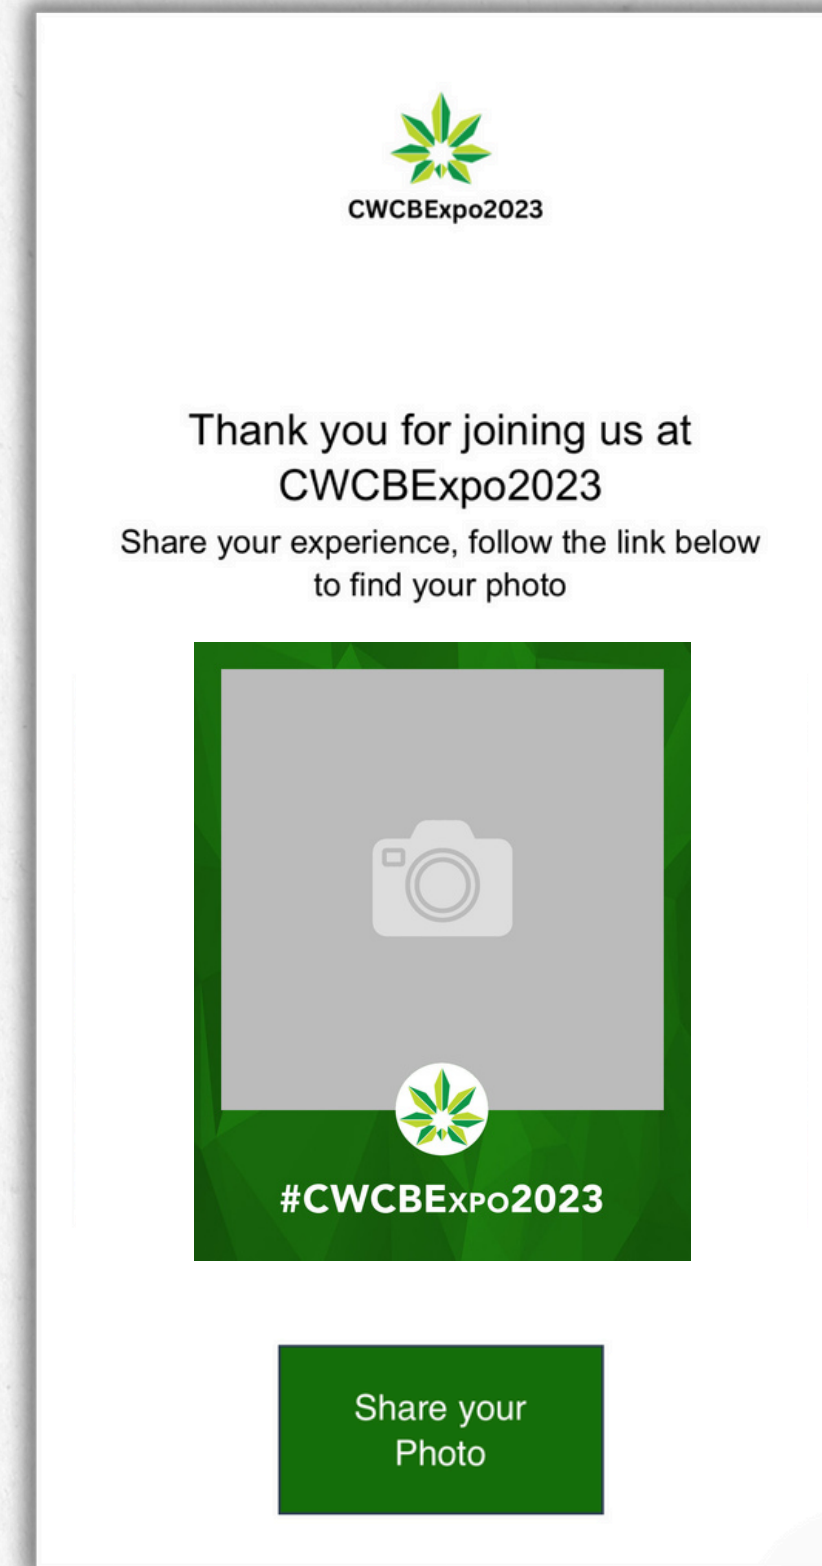

SMS AND EMAIL DELIVERY

Include a personalized message when delivering captured photos, with up to 120 characters available for SMS messaging.

Thank you for joining us at
SampleName. Here is your photo:
brand.co/tsf3h

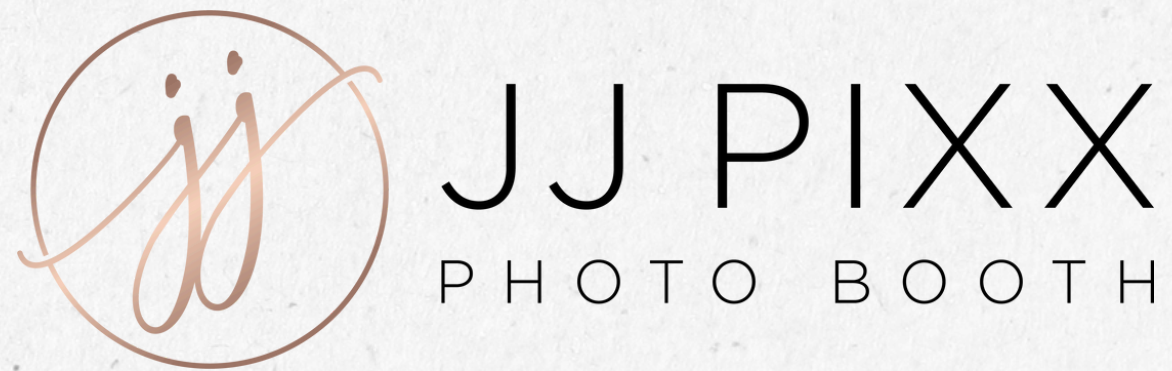

MICROSITE

Your guests will be directed to a branded microsite featuring your logo prominently displayed in the header. You will also have the choice to customize the background with a solid color.

If we've sparked your imagination, reach out and start a conversation. We're always happy to talk all things branding.
